## **ACADEMIC COLLABORATION**

### **What is an academic association?**

Let's start with "what is an academic?" The word is a circle definition, because to be an academic means to be within an academic institution, such as a school, college or university, to pursue the learning that is offered there, also the theory, not just the practice, and eventually to do research, teach, or do both.

## **OBJECTIVE OF PRIMAX COLLABORATION**

1. To collaborate with different Colleges/Universities/Institutional organizers to provide help and facilities to run the Conference/Seminar/Workshop successfully.
2. To provide a World Class Publication platform for the Organizers to Publish the research papers form the International /National Conference/Seminar.
3. To organize a workshop /Management Development Programme / Faculty Development Programme/ Case Study Presentation / Article writing / Thesis writing / Placement Training etc. In association with Colleges and Universities

4. The basic objective of this Organization is to bring together academicians and experts from different parts of the country and abroad to exchange knowledge and ideas. This will provide an in-depth analysis of subjects and update the knowledge of the participants from academic/research institutions.
