About Department of Commerce

The Department was set up in the year 1990 and has achieved significant growth by adding new dimensions in the domain of education in the commerce discipline. The constant innovation nurtured in its various spheres of functioning – teaching, extra-curricular, co-curricular, student centric ideology, continuous FDPs, National conferences, etc – have added new feathers to its cap from time to time. The Department houses over 5,000 students at UG and PG levels and it is an abode to over 250 faculty members contributing towards its daily work and growth.

About the Conference

In the Global Human Capital Trends report, released by Deloitte mentions that “Today’s HR challenges require a new playbook—one that helps to make HR more agile, forward thinking and bold in its solutions.” To thrive in today’s business environment, HR leaders must develop holistic approaches that will optimize human and digital collaboration to transform people’s lives inside and outside of work. The digitalisation of work, the impact of technology on jobs, the macro socio-political changes around us and the increased pace of organisational transformation are examples of a new world of work that is already upon us.

The NATIONAL HR Conference aims to transform the paradigms to perspectives about the HR profession which are not yet considered. The conference will not only address the impact of Technology on HR, it goes “beyond” and also considers technology in the context of the society and how social impact can be generated.

Objectives of the conference

- To provide a platform for policymakers, practitioners, academicians, researchers and students for intellectual discourse and for presentation of their ideas, research and innovation practices
- To be a platform for fostering exchange of thoughts between practicing HR managers and academicians
- To understand the changing role of HRM in the current business scenario
