About Jain (Deemed-to-be University)

Jain University was declared as deemed-to-be University in 2009 under section 3(4) of the UGC Act, 1956, and was awarded a rating of ‘B+’ by NAAC during 2017 visit for re-accreditation. It offers UG and PG programs in innovative and creative curricula and has been enabling multi-disciplinary research opportunities through its Research programs. Founded in 1989 as SIBM by Dr. Chennay Rajachandran, an eminent entrepreneur and educationist with over 35 years of experience, it has a vision to foster human development through excellence in Quality Education, Research and Entrepreneurial Development.

It has been drawing students from more than 50 countries to Bengaluru. Jain University is a certified ISO 9001:2008 quality management by TUV Rheinland and is a member of Association of Universities of Asia and the Pacific (AUAP). It enjoys close collaborations with world’s leading universities. It has been drawing students from more than 50 countries to Bengaluru. Jain University is a certified ISO 9001:2008 quality management by TUV Rheinland and is a member of Association of Universities of Asia and the Pacific (AUAP). It enjoys close collaborations with world’s leading universities and organizations at national and international level. Jain University has been empowering and enabling students to exceed expectations in the fields of their interest and groom them to be professionally and ethically sound individuals. It has consistently ranked among the top universities in India by India Today Nielsen Best Universities Survey. With extensive infrastructure and faculty members of the highest caliber, the University emphasizes on nation building, education, incubates entrepreneurship and facilitates employment generation and advocates sports.

About Department of Commerce

The Department was set up in the year 1990 and has achieved significant growth by adding new dimensions in the domain of education, in the commerce discipline. The constant innovation nurtured in its various spheres of functioning – teaching extra-curricular, co-curricular, student centric approach, continuous FDPs, National conferences, etc. – have added new feathers to its cap from time to time. The Department houses over 5,000 students at UG and PG levels and it is an abode to over 250 faculty members contributing towards its daily work and growth.

About ISDC

ISDC - International Skill Development Corporation is a leading Skill Development Company headquartered in UK with a vision of bridging the global skill gap. It runs a set of Skill Development Activities through its structured plan and aims at Developing Skills for Tomorrow. The operation includes various Skill Development Projects, Professional & Vocational Education Activities, International Schools & Colleges, Professional & Corporate Training, Consulting & finally on Research & Development.

ISDC aims to enable people & organizations to unlock their potential & develop the knowledge & skills required for personal & economic growth. ISDC has been working with ACCA & a large number of professional bodies since its inception. ISDC works extensively with leading universities (State/Government & Private) & leading colleges across India for the Joint Degree (UG/PG), Certificates & Diploma Programs. The IFRS Integration Project of ISDC in association with ACCA has gained acceptance & recognition with most of the Universities & State Governments in India.

About ACCA

ACCA (the Association of Chartered Certified Accountants) is the global body for professional accountants. It offers business relevant, first-choice qualifications to people of application, ability & ambition around the world who seek a rewarding career in accountancy, finance & management. ACCA supports its 188,000 members and 480,000 students in 178 countries, helping them to develop successful careers in accounting & business, with the skills required by employers.

ACCA works through a network of 100 offices & centres and more than 7,000 approved employers worldwide, who provide high standards of training & development. Through its public interest remit, ACCA promotes appropriate regulation of accounting & conducts relevant research to ensure accountancy continues to grow in reputation & influence.

Founded in 1904, ACCA has consistently held unique core values: opportunity, diversity, integrity & accountability. It believes that accountants bring value to economies in all stages of development and seek to develop capacity in the profession and encourage the adoption of global standards. ACCA's core values are aligned to the needs of employers in all sectors and it ensures that through its range of qualifications, it prepares accountants for business. ACCA also ensures the profession to people of all backgrounds and remove artificial barriers, innovating its qualifications and delivery to meet the diverse needs of tranee professionals.

Knowledge of new models for business, funding, payments and services such as the wider blockchain-based applications including the distributed ledger will be vital for all professional accountants. Expert use of analytics will enable more, better and closer to real-time reporting, increasing predictive analysis and highlight the interconnectedness of financial and non-financial performance. The present professional accountants are required to acquire these key competencies and that is a skill gap and the Universities are required to develop their curriculum by inculcating these new concepts which will make the students corporate ready in this backdrop, the Department of Commerce, the School of Commerce Studies, Jain deemed to be University is conducting the 3rd International Conference on “Emerging Trends in Accounting, Finance and Taxation”.

Objectives

- The conference would provide a platform for academicians and practitioners in the areas of Finance, Accounting, Taxation and other related disciplines to reflect, deliberate, analyse and suggest measures that are needed to understand the dynamics of global accounting, finance and taxation.
- The goal of this One-Day conference is to inculcate and develop rigorous and relevant research in the field of accounting, finance and taxation.
- The conference expects to encourage and facilitate researchers to employ the highest standards of academic diligence in addressing various challenges faced in the field of accounting, finance and taxation.
