## About Primax Foundation, Bengaluru, Karnataka

Primax Foundation (Reg. No JNR-211-2015-16), Established in 2015 is a registered non-profit organization located in Bengaluru, Karnataka, India. Being committed to social development, it offers high-quality educational and professional development opportunities through workshops, conferences, seminars, and training programs. These programs encompass journal publications, faculty development, management development, educational and skill development initiatives, and research activities. As an emerging training and development center, Primax Foundation provides both on campus and off campus programs to empowering students, research scholars, and faculty members with the knowledge and skills needed for academic and professional success.

## About St. Francis College, Bengaluru, Karnataka

The Congregation of the Franciscan Missionary Brothers was founded by Rev. Bro. Paulus Moritz of Germany, in India, in 1901. Since then, the Congregation has devoted itself in the service of the humanity through its various schools, colleges, orphanages and technical institutes in a number of states all over the county. In addition to these institutions the Franciscan Congregation has its branches spread in many other countries like Germany, Switzerland, USA etc. St. Francis College Bangalore, is a Minority Christian College, managed by the Franciscan Brothers, and is nurtured by the principles of moral uprightness, social responsibility and pursuit for excellence. The college is secular in outlook wherein students of all religions, caste and community are treated at par. The college aims not only at academics but also the holistic development of the students.

## About St. Antony's College, Dindigul, Tamil Nadu

St. Antony's College of Arts and Sciences for Women, Dindigul, is a minority, self-financing institution established in 2007 by The Congregation of the Immaculate Conception (CIC) - Madurai. This premier institution of higher education is located on 20-acre campus with beautiful gardens, well-furnished and aesthetically designed buildings, and sports grounds at Thamaraipadi, 10km North of Dindigul on Trichy- Dindigul Highways (NH45), in a gentle, serene and tranquil atmosphere for academic pursuits and life-long learning.

## About St. Joseph's College of Arts and Science for Women, Hosur, Tamil Nadu

St. Joseph's College of Arts and Science for Women was established in the year 2006 with the motto "Knowledge Purifies and Charity Enhances". It is affiliated to Periyar University, Salem and managed by the FSPM Sisters, Coimbatore. We empower young women with knowledge, skills, holistic approach and enable them to face the present society. The college offers various UG and PG with a strength of more than 1700 students. The study at St. Joseph's College will certainly fetch a joyful and memorable experience of escalation in the aesthetics of education and ethnicity provided by the multi-cultured and multi-faceted presence of faculty & students who are persistent with the quest for excellence in proficiency. Its quiet surroundings, comprising of architecturally designed buildings, playgrounds and lush greenery make it one of the most preferred destinations for the aspirants.

## About the FDP

This FDP "THE FUTURE OF TEACHING AND LEARNING THROUGH AI-INFUSED DIGITAL EDUCATION" offers a comprehensive examination of the ways in which artificial intelligence is change the field of education. Participants will investigate how artificial intelligence (AI) is being applied to improve teaching methods, expedite administrative duties, and provide individualized learning experiences. The event will highlight cutting-edge AI tools that adjust to each student's needs, provide real time feedback, and facilitate data-driven decision making through integrative discussions and practical demos. Participants will acquire valuable knowledge on implementing AI solutions to boost educational outcomes, increase student engagement, and prepare learners for a technology-centric future. The goal of the workshop is to empower educators and administrators with the expertise required to seamlessly integrate AI into their digital education frameworks, fostering innovation and excellence in both teaching and learning.

## Objectives of FDP

This training aims to equip faculty with the knowledge and skills to integrate AI in teaching, enhance personalized and adaptive learning, and utilize AI-powered analytics for data-driven decision-making. Faculty will learn to apply AI tools for assessment, feedback, and administrative efficiency while addressing ethical considerations, biases, and privacy concerns. Additionally, the training will focus on fostering inclusive AI-driven education, guiding students in ethical AI use and preparing them for future workforce demands in an AI-integrated world.

## Who can attend?
