

PRIMAX FOUNDATION

Attitude • Skill • Knowledge

3 DAY TRAINING PROGRAM

ON BASIC AI PLATFORM FOR DAILY USES

09-11-2026 to 11-11-2026

Time : 6.30 PM to 7.30 PM

Registration Fee Rs. 400

Introduction

Learn the fundamentals of Artificial Intelligence and explore popular AI tools to improve productivity in daily personal, academic, and professional activities.

Objectives

- Understand the basics of AI.
- Learn to use popular AI platforms effectively.
- Enhance productivity through AI-powered tools.
- Promote the responsible and ethical use of AI.

Training Outcomes

Participants will be able to confidently use AI tools for writing, searching, designing, communication, and other everyday tasks.

Who Can Participate?

Anyone of any age with an interest in learning AI. No prior technical knowledge is required.

CMA Dr. Natika Poddar

Associate Professor
St. Francis Institute of Management and
Research, Borivali West
Mumbai
