ABOUT THE COLLEGE

Sengunthar Arts & Science College, popularly known as SASC, was founded in 1991 by Sengunthar Education Trust. It is a Pioneer, Self-financing, Co-educational Institution, situated in serene green atmosphere at Tiruchengode. It was formerly affiliated to the University of Madras and now to the Periyar University, Salem. With its fine infrastructure and ability in maintaining high academic standards, the institution has the unique honour of being acclaimed as one of the outstanding educational institutions under the Periyar University. The college offers two AICTE approved programmes M.C.A. and M.B.A. We also have research programmes notably, Ph.D. programmes in microbiology and M.Phil. programmes in various departments. The college offers 8 PG programmes and 13 UG programmes of various disciplines such as Mathematics, Commerce (C.A.), Management, Life Science, Computer science & Applications. The college has been accredited by the National Assessment and Accreditation Council (NAAC), Bangalore and recognized by UGC u/s 2(f) and 12(B), and also ISO:9001-2008 certification.

ABOUT PRIMAX FOUNDATION

Primax Foundation® is getting establish with the lofty ideals of imparting quality non profitable services to the society through Journal, Seminars, Workshop, Educational Training & Skill Development, Study Circles, Counseling & Rehabilitation and Initiating Research Activities etc. for the development of total personality in society. Primax Foundation is an upcoming Training and Development Center at Bangalore offering a variety of need based training programmes, through on and off campus modes. The primary aim is to ensure employability for the Students and making them best fit for corporate requirements, in all aspects. In addition, its intention is to upgrade the quality of research work among the faculty members involved in Science & Humanities, Commerce, Management Education and in the Allied fields to ensure that all the research work undertaken, is usefully and gainfully.

ABOUT THE DEPARTMENT

The department was started as one of the earliest Departments in the year 1991. B.Sc. and M.Sc. Mathematics Programmes were started in the year 2002 and 2014 respectively.

It is one among the departments serving the academic needs of the Institution. The department of Mathematics strives to maintain high standards of teaching in various areas of pure and applied Mathematics. It has qualified faculty members who actively engaged in teaching and research. Further various type of Competitions, Guest Lectures are being conducted periodically to enrich the knowledge of the students.

Objectives of the Seminar

Mathematics plays a vital role in solving real world problems related to different branches of Science, Engineering, Technology and Medicine. Recently Mathematical modeling is a topic of widespread interest because of its efficiency in suggesting solutions to complex realistic problems where the experiments are very limited, expensive and sometimes not possible. The main objective of organizing this Seminar is to discuss innovative thoughts in various fields of Pure and Applied Mathematics. This Seminar will provide an open platform for researchers to interact with experts and to exchange views about the many inventions and innovations that are taking place from time to time. The Seminar will include presentations of research papers and invited talks by distinguished academicians from nationwide institutions.

Call for Papers & Publication Opportunities

Original research papers in **any field of Mathematics** are invited for presentation. The abstract for paper presentation not exceeding 500 words is to be submitted (**hard and soft copy**) **on or before 10.01.2018, through e-mail nacitma2018@gmail.com**

The selected papers will be published in reputed Journals with additional cost of Rs. 1,400. (Each Co-author has to pay additional fee of Rs. 900 & Maximum two authors allowed per paper). The following publications forum is as follows.

- KAAV International Journal of Arts, Humanities and Social Science (UGC Approved ISSN 2348-4349 Impact Factor No. 7.92)
- Shanlax International Journal of Arts, Science and Humanities (ISSN 2321-788X UGC No. 43960 Impact Factor 2.114)

The above journals are multi disciplinary so we invite the original research papers from various field of studies, namely Chemistry, Physics, Mathematics, Computational Science, Marine Science, Life Science, Environmental Science, Computer Science, Mathematics Education, Physics Education, Chemistry Education, and Biology Education.

Important Dates

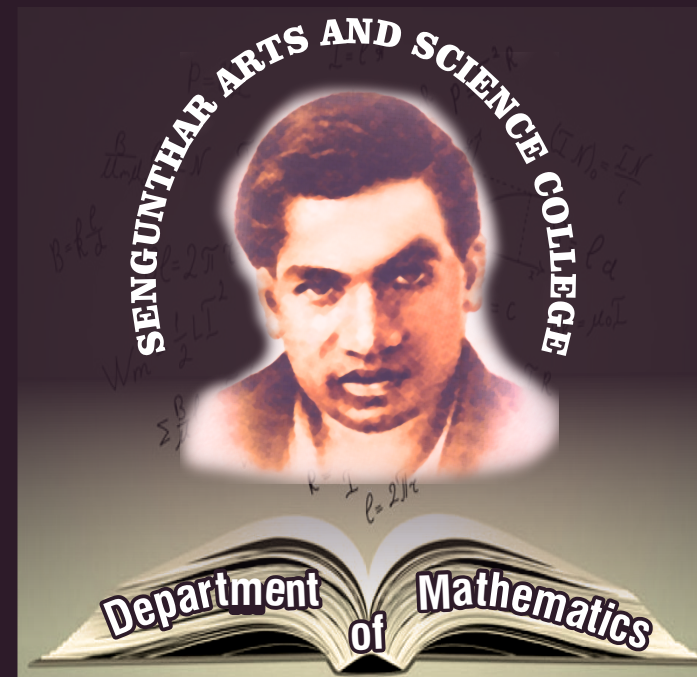

Particulars	Date
Abstract & Full Paper Submission	10.01.2018
Notification of Acceptance of Full Paper	20.01.2018
Last date for Submission of Registration form & Fee Payment	25.01.2018
Date of Conference	02.02.2018

Authors are requested to submit your original paper as per APA guidelines. Papers must be sent via mail to **primaxfoundation2015@gmail.com (or) kvr08@rediffmail.com**

Online Upload : **www.primaxijcmr.com**

Registration Fee

Category	Fee
Students	₹. 200/-
Research Scholars (M.Phil. and Ph.D.)	₹. 250/-
Academicians	₹. 300/-
